November 30, 1960

STAT

I was deeply appreciative of your letter of
25 November 1960, and the message which you
passed me from your Chief.

Please thank him for his kind message,
and in thanking you for your own, I wish to assure
you that one of the privileges of continuing on in
this post is to carry forward the close association
we have had together.

Faithfully yours,

SIGNER
